

WyPayments Specifications

Check Signing Features:

- Offers easy-to-use browser-based secure log-in for enhanced security
- Secure log-in enables remote check printing
- Automatically prints and signs checks in a single pass directly off the printer
- Signature titles and backgrounds available
- Offers optional forgery-resistant graphical protected amount while printing
- Supports unlimited account types
- Provides a detailed check log including the date, check number, payee and an optional .PDF image archive and built in search application. (optional)
- Counts signed checks, voided checks, or all checks
- Logical amount security limits (e.g. add signature at amount, suppress signature at amount, void at amount)
- Saves time and offers greater efficiency
- Securely produce manual checks if your computer system goes down
- Eliminates signature plates, rubber stamps and mechanical check signers

MICR Laser Check Printing Features (optional)

- Prints more securely by using blank secure check stock instead of pre-printed check stock
- Adds forms, graphics, logos, signatures and MICR information
- Able to create non-negotiable .PDF check copies and archive all check disbursements (optional)
- Can print non-negotiable check copies
- .PDF image files can be indexed for import into most imaging platforms (optional)
- Operates with HP-compatible laser printers
- Eliminates the need for separate check stock for each bank account
- Prints a MICR line which meets ABA specifications (with MICR toner cartridge)
- Supports company and bank logos, forms, and graphics
- Can print check copies with “COPY” in place of signature and “NON-NEGOTIABLE” in MICR line
- Secure blank check stock can be pulled from alternate trays
- Prints check numbers (even for customers who do not send check numbers)
- Check numbers are always in sequence
- No checks to void when printer jams
- Autosense automatically recognizes which check form to print

Compatibility:

- No computer hardware or software changes required
- Multiple printer support available
- Works with any HP-compatible printer
- Compatible with the MICR Laser Check Printing option

Standard WyPayment Pricing Includes:

- 1 signature
- 1 check account/application (e.g. payroll, accounts payable, etc.)
- 90-day factory warranty
- 1 printer license

* Additional signatures, custom logo prefixes, printer licenses, applications, and MICR Laser Check Printing are available for an additional charge.
